**External Sources of Labour and Services (pages 114 - 122 of Volume 1)**

The Annual Report provides information on the department's use of external sources of labour and services.

Information regarding a consultancy associated with Output 1.5 Public Service Management was inadvertently omitted from the published Report.

A Corrigendum detailing the additional consultancy is included in the following table.

## External Sources of Labour and Services

Procurement selection and management processes for all contractors including consultants complied with the *Government Procurement Act 2001* and subordinate Guidelines and circulars. Procurement processes above \$50,000 have been reviewed by an APU and the Government Procurement Board as required by the Government Procurement (Approved Procurement Units) Guideline 2002.
