Mr Greg Haustead,

ACT Remuneration Tribunal
PO Box 964

Dear Mr Haustead

I refer to your letter of 3 August to President Crebbin, Professor Spender and myself in our capacity as Presidential members of the ACAT. We thank you for the opportunity to make a submission. Please note that I am replying on behalf of all the Presidential members of ACAT.

We refer you to previous submissions in relation to this matter made by myself and President Crebbin (the first one being in September 2008 from me and the more recent ones from President Crebbin). We commend those submissions to the Tribunal and would ask Tribunal members to have regard to them in the course their deliberations.
